On the day of Pentecost, the disciples were all together in one place. The Bible tells us that there was a sound from heaven like a mighty rushing wind and it filled the place where the disciples were gathered. Then, there were flames of fire that appeared and rested upon each of them. When these things happened, the disciples were filled with power and began to preach and teach about Jesus. They were able to do things that they had never done before because of the power of the Holy Spirit in them. Did you know that you and I have that very same power available to us today? The Bible says that "all who are led by the Spirit are children of God." We who are the children of God have the power to do great and mighty things, not in our own strength, but through the power of the Holy Spirit that is within us.
